Specialty Value-Added Proteins Built on Our Legacy of Quality & Service

Catelli Brothers Family of Foods' reputation for quality and service—combined with our capacity to adapt and customize—makes us the retailer's top choice for a successful value-added meat program.

Value-added products including specialty steaks, beef grinds and marinated and seasoned proteins create solutions for consumers and retailers. Shoppers seeking quick, flavor-packed meals are drawn to easy and convenient items. Purchases of value-added proteins boost your bottom line, and our convenient case-ready packaging means expanded product options without increased labor in the meat department.

Catelli Brothers value-added and specialty processing capabilities include:

- Grinds
- Pre-Formed & Seasoned Burgers
- Thin-Sliced Meats
- Marinated & Seasoned Products
- Ready-to-Cook, Cook-in-Bag & Fully Cooked Items

We pride ourselves on our options for customization and offer these lines in a full range of attractive packaging including:

- Catelli Brothers Branded & Private Label
- Case Ready & Tray Ready
- Portion Control & Fixed Weight
- MAP, VSP, Rollstock & Vacuum Packaging

Our value-added programs are built on years of experience producing top quality meats. A second-generation family enterprise, Catelli Brothers Family of Foods is the U.S. Meat Division of Préval AG, a multi-generational family agribusiness in Canada.

Our state-of-the-art processing facilities in New Jersey and Massachusetts—along with our sister processor in Canada, Montpak International—distribute veal, lamb, beef and other value-added specialty meat products to retailers and food service providers throughout the country.
